

Short-Term Trip Evaluation Form

To download or submit online go to www.motivate.nz/forms.html

It was great to have you join our recent short-term mission trip, and we trust you have had some time to reflect on your time away.

We would now encourage you to spend some time in prayer asking God how you can grow from this experience.

Talk to your friends, family, Pastor or a member of your church's Mission Committee about the things God has done in your heart.

There will inevitably be many times when you remember your trip, and perhaps wish that there was more you could do. The needs are always great, but the good news is that you can continue to serve by making a return trip, supporting a project, perhaps applying for longer-term service ... and by praying!

You can keep in touch by subscribing to our 'motivate' e-bulletin or liking our Facebook page: 'MotiVateNZ'

Motivate NZ is an office of Missionary Ventures International - a servant missions organisation established in 1986 to encourage, facilitate and enable participation in indigenous missions. Please now take a moment to evaluate your trip below, and consider how you could be a part of the on-going work of God through MotiVate.

Please return your completed form to your team leader so we can know how we can better serve you.
